REPORT OF THE SELECTMEN

The past year has been, in many ways, quite similar to most other years in the life of a town. The majority of the work of a Board of Selectmen is to exercise its stewardship for a year according to the instructions provided by the citizenry at Town Meeting. It is assumed that the Town will be improved and in better shape at that time. Much of our work therefore is the business of survival from one year to the next, and, no matter how much effort that may take at times, or how difficult or complicated a task it might be, it is pretty mundane stuff when it has to be reduced to text for an annual report. So, in brief, the major item we have to report is the not-too-startling fact that the Town has survived 1984 intact and has, we feel, been improved a bit in the process.

As we look back though, there are some highlights that should be mentioned:

- The Town saw the end of an era when we reluctantly and with regret accepted the resignation of Chief of Police Robert T. Mills, Jr. His long years of life-on-the-line service to the Town and his efforts to build a modern police force are much appreciated, and his absence from the force will long be felt. We wish him well, as we do his most able successor, Chief Eric Sargent.

- We also lost the services of Health Officer Richard W. Wolf and Civil Defense Director Thomas W. Allen, both of whom were forced to resign because of the pressures of their regular employment, again in each case after many years of able service to the Town. We have yet to find a replacement for Dick's able, easygoing manner and ready smile; the Selectmen are seeing to the Health Officer's duties on a pro tem. basis until a successor can be found and appointed. It has taken two individuals to fill Tom's shoes: the Civil Defense duties now being performed by Michael North, who is assisted by Deputy Director Jeffrey Titus.

- The coming of spring saw much damage done to the Town's roadways by rainstorms and freshets, particularly in the Gulf Road area. The Highway Department under Alvin Davis worked particularly hard to make the Town's roads passable as soon after these storms as possible. Much of the funds set aside for construction and reconstruction had to be used in this emergency, forcing us to defer some of the originally planned projects. The Department was, however, able to rebuild the Mountain Road bridge and repair bridge abutments in other areas of Town, as well as to complete the reconstruction of a portion of Cady Lane, begun

in 1983. The new dump truck authorized at Town Meeting will be delivered in early January, 1985, in time to assist with the remainder of this winter's storms.

- 1984 saw Chesterfield's entry into the computer age with the purchase of an integrated system of hardware and software to handle the needs of the Town. The assessment records have been computerized and the first computer-generated resident and property tax bills were sent out this year, freeing Tax Collector Margaret Johnson from much time-consuming handwork. The computerization of the voter checklists, dog license lists, etc. have similarly eased other department's workloads, and more and more departments are expected to become involved with the system in the future. Selectman John Leahy donated his time and expertise far in excess of what might have been expected, thereby saving the Town much of the software and consultant's expenses that we had anticipated. We owe him quite a debt of gratitude.

- The Route 9 Limited Access Project continues, now with a 1985 completion date. In another year, when travel is easier and safer, and when brush and trees grow back to heal some of the scars of construction, we trust that the project will be remembered as a somewhat unpleasant experience to live through, but one from which the Town derived a net benefit.

- Joan Dittrich, Lawrence Taylor and Richard Wolf have been the Town's representatives to a multi-town group investigating the adviseability of forming and participating in a regional refuse disposal district under RSA 53B. We expect a formal report from this group early in 1985 in time for a decision to be voted on at Town Meeting. Preliminary information suggests that a recommendation will be made to actually form a 53B district with the other towns and the City of Keene. The selectmen strongly support some sort of regional plan of this sort to handle the ever-growing problem of solid waste disposal.

- We have continued to maintain the Town's system of assessment of taxable property. Selectman William Mitchell attended the Department of Revenue Administration's assessment training program last summer, and all three selectmen worked many hours in the spring and early summer to assess new construction and renovation. We were assisted by a D.R.A. employee (hired through the special assessment fund set up at this year's Town Meeting) who did much of the "pick-up" assessments. The proof of the consistency

of this effort since the 1980 revaluation is 1984's 82% assessment ratio assigned by the State to Chesterfield. This means that the 1980 assessment currently being used is approximately 82% of what similar properties are on average selling for in 1984; that ratio is exactly where it should be according to the Federally announced rates of inflation for 1981 through 1984.

- The Selectmen have continued to perform the every-seven-years perambulation of the Town's boundaries required by state law. We've all shed a pound or two walking - and restoring the boundary markers located at roughly 80 rod intervals along the way - nearly 19 miles of the Keene, Swanzey, Hinsdale and Westmoreland lines and a portion of the Winchester line. Only about 4 miles of the Winchester line remain, hopefully to be walked in the spring of 1985.

- The renovation of the Town Hall has progressed quite well and we hope the results will be noticed and enjoyed by the Town's citizens at the 1985 Town Meeting and at future public and private functions. While we were not able to complete all the work we had anticipated, we hope the townspeople will see fit to continue the appropriation of funds for this purpose so that the task can be completed.

- The setting of the 1984 tax rate at $20.78 (just 1¢ more than last year) per thousand dollars of valuation (with an additional $1.19 for Chesterfield/West Chesterfield and $ .78 for Spofford for fire protection) was welcome news. The Town's tax rate has remained remarkably stable, rising only 8.8% in Chesterfield/West Chesterfield and 3.2% in Spofford over the last four years (1981-1984), compared to a national inflation rate of between 19 and 20% for the same period. This is both good news and bad news: the goodnews is obvious - your tax bills have been kept from rising at anything near the rate of inflation; the bad news is somewhat less evident - we have been falling behind on some of our Town's capital needs. We believe that it is time to address some of these needs (specifically the Highway Department's garage and a capital reserve fund for the school) at this year's Town and School District Meetings.

- Finally, but perhaps most intangibly, we believe we have seen signs of a shift toward thinking and operating more like a town composed of three village centers (each with its own special identity), and less, as we have sometimes been portrayed, like three independent villages reluctantly composing a town. We have similarly continued our efforts as a Board of Selectmen to operate as if the Town and school governments were in the same town ("two pockets in the same pair of pants"); that cooperation has borne fruit in a number of areas. We trust that these areas of unification and cooperation will continue. (If nothing else, we are most happy to again be "dull news" for the local media!)

TOWN MEETING - 1984

Proceedings of the Annual Meeting of the voters of Town of Chesterfield, New Hampshire, called at the Town the Hall in said Town on Tuesday, March 13, 1984.

The town hall bell was rung by selectmen, James Milani.

The meeting was called to order at 10o'clock in the forenoon by the moderator, Carl A. Johnson, who read the warrant through Articles One and Two and declared the polls open for voting by ballot for town officers and amendments to the Zoning and Building Ordinances.

At 6:30 p.m. the town hall bell was rung and the Moderator called the meeting to order with Warren Allen and Ethel Mills as Assistant Moderator and Assistant Clerk, respectively.

The Moderator declared a moment of silence in memory of those who had passed away during the past year. The following deceased residents were named: Robert Woodman, Clinton Davis, George Fuller, Roger Welcome and Louis Garrapy.

Reverend Harold Hawlk, pastor of the Asbury United Methodist Church, offered prayer.

The following resolution presented by James C. Milani, was unanimously adopted:

WHEREAS, Robert E. Woodman well and faithfully served the Town of Chesterfield as a member and Chairman of the Board of Selectmen, as a member and Chairman of the Budget Committee, as a member and Chairman of the Zoning Board of Adjustment, as a Trustee of the Chesterfield Library, and in many other public and private capacities; and

Robert E. Woodman brightened the lives of the citizens of this Town by his wisdom, by his humor, by his sage advice, and by the joy he both brought to and took from life; and

Robert E. Woodman especially enriched the lives of the children of this Town and points beyond by the example of his life, and through his efforts as an educator, camp director, and gracious host of Road's End Farm; and

We are diminished both as a Town and as individuals by his passing on December 11th, 1983,

NOW THEREFORE BE IT RESOLVED, that this Town Meeting of March 13th, 1984 be gratefully and respectfully dedicated to the memory of Robert E. Woodman; and

That this Resolution become a part of the permanent records of this Town; and

That a copy of this Resolution be presented to the family of Mr. Woodman.

A voice vote was in the affirmative on a motion made by Paul Boroski and seconded by Lawrence Thomas to dispense with the reading of the warrant, and the moderator would read each article as it was considered.

ARTICLE 3. A motion was made by James Milani and supported by Gary Winn to raise and appropriate the sum of $175,000.00 to construct a new Highway Garage and authorize the Selectmen, under the Municipal Finance Act, to borrow this amount to be paid for in seven (7) years. Voted by voice vote on motion made by James Milani and supported by Gary Winn to amend Article 3 and change the amount to be raised to the sum of $190,000.00 and this sum to be paid back in five (5) years. Vote declared by the Moderator to be carried in the negative.

Voted by voice vote on motion made by Paul Boroski and seconded by Richard Paul to amend Article 3 to raise the sum of $175,000.00 and this sum to be paid back in five (5) years. Vote declared by the Moderator to be carried in the affirmative.

SPECIAL TOWN MEETING

November 12, 1984

Proceedings of the Special Town Meeting of the voters of the Town of Chesterfield, New Hampshire, called at the Town Hall in said Town on Monday evening, November 12, 1984 at 7:00 PM.

The meeting was called to order at 7:05 PM by the Moderator, Carl A. Johnson, and the Warrant for the meeting was read by him.

The article of the Warrant was disposed of as follows:

ARTICLE 1. A voice vote was in the affirmative on a motion made by James C. Milani and supported by William Mitchell to create a special unpaid committee to be known as a Regional Refuse Disposal Planning Committee consisting of three (3) persons to be appointed by the Moderator pursuant to RSA 53-B:1. This committee shall study the advisability of establishing a Regional Refuse Disposal District; may not obligate the Town in any way; and shall report back to the Selectmen and the Town for further action at subsequent Town Meeting.

The Moderator declared the meeting adjourned at 7:11 PM.

Betsey C. Chickering
Town Clerk

NOTES FROM YOUR ROAD AGENT

There were fourteen driveway permits issued this year.

The equipment purchased this year was a new 1984 dump truck fully equipped for ice and snow removal. This truck will be in service in the Spofford area for winter maintenance.

The asphalt resurfacing program for 1984 was done on the North Shore Road and completed from Route 9A to Route 63.

The Construction/Reconstruction funds were expended on:

1. Cady Lane - asphalt paving from Route 9 to Lincoln Road.

2. Mountain Road - reconstruction, resetting the culvert and construction new head walls on the large Gulf Brook culvert.

3. Westmoreland Road - repair lower wing on Mill Hill bridge.

4. Cross Road - new wing on upper side of the bridge.

5. Gulf Road - (lower section) repair washed out section and remove mud slide and cleared some of brook bed. This project is not completed. More work is planned for 1985.

Road Agent

REPORT OF THE CHESTERFIELD POLICE DEPARTMENT
1984

To the Townspeople of Chesterfield:

I would like to start this report by saying Thank You to former Chief Robert T. Mills Jr. Chief Mills gave 20 years to the Town of Chesterfield and the Police Department and was, in all ways, truly a credit to his town, his Department and his men.

As successor to Chief Mills I am striving to continue his efforts to improve our service to the town. This year, I have included a second Full-time man in the Budget. The Police Department workload has increased steadily over the past few years and it has become too much for one full time man to handle and not have the service suffer. By having a second man, criminal investigations can be handled more completely and more efficiently, also, response time to a complaint will be reduced in that less time will be spent by officers ON CALL.

I also am requesting a new cruiser in 1985 to replace the 1980 Buick. I am sure that many of you are aware of the problems that we have had with this vehicle and I feel that it would be a waste of money to continue to try to repair the Buick. We will be able to cut expenses on the new cruiser in that we will be able to use most all of the equipment from the Buick in the new cruiser.

In closing I would like to extend an open invitation to anyone who would like to visit the Police Station and to meet with me. I would like to also stress that if anyone sees a crime being committed that they do not hesitate to contact us through Mutual Aid. We are only as effective as the people who will work with us.

Partial List of Calls - 1984

Accidents	100
Criminal	75
Cruisers (miles Trlvd)	41,015
Court Cases	342
Animal Comp.	275
Vehicles Towed	35

Eric S. Sargent
Chief of Police

REPORT OF THE CIVIL DEFENSE DIRECTOR

There have been few changes since I took office as Civil Defense Director.

Since coming aboard, we have installed another position, that of Deputy Civil Defense Director with Jeffrey Titus being appointed.

State and Federal funds have been applied for in the hope of making yearly additions, mainly equipment, to our department.

We have composed a map and town index and distributed them to all of the fire departments.

With the help of the Town Office, we are in the process of establishing our office and files in the Town Office building.

At present we are working on a "Hazardous Materials Team" (HAZMAT) with a couple of people from each fire department becoming members of the team and organizing each fire department to work with these people.

Some of the problems we are facing in the future are communications; fire department communications and training. Also, each department should look toward the future in low-band frequency: capability to better communicate with our neighboring departments.

Those within the ten mile radius of Vermont Yankee and do not have or have malfunctioning weather alert radios may contact the Selectmen's office for this purpose.

We have six people who have returned the yellow cards that were mailed stating that they would need assistance in case of an emergency. These names are kept in a confidential file.

We encourage anyone who feels that they may need help in evacuating their premises during any type of disaster, to contact the Selectmen's office and have their name included in that list.

Michael North
Civil Defense Director

PLANNING BOARD REPORT FOR 1984

The Planning Board meets at the Town Hall at 7:30 p.m. on the first Monday of each month, meeting 11 times during the past year.

There were 10 subdivisions, 5 Site Plan Reviews, 4 Line Exchanges and 1 Line Adjustment approved in 1984.

Ronald Viarengo resigned during the year. His efforts on the Planning Board were greatly appreciated. Cornelia Jenness was appointed in Ronald's place with Joan Dittrich and Rita Devittori appointed as alternates.

On this year's Town Meeting Ballot there will be suggested amendments to the Zoning Ordinance that will change parcels of property on Route 9 from Residential to Commercial/Light Industrial zones. There are 4 petitions requesting the change of parcels on Route 9 to go from Residential to Commercial/Light Industrial, three of these are included in the area being suggested by the Planning Board.

You are encouraged to call the Board members if you have any questions on the upcoming proposed amendments.

The Board is always ready for any suggestions and comments concerning Zoning that anyone may have. Please feel free to contact any member of the Board.

Chesterfield Planning Board

REPORT OF THE BOARD OF ADJUSTMENT

The Zoning Board has been meeting monthly to hear requests for variances and special exceptions. A new application form has been in use for a short time. This form allows the Board to have a consistent amount of information prior to the hearing so that we can be prepared to make more efficient and fairer decisions. It must be filed with the Board of Adjustment at least 14 days in advance of the next meeting date. Our meeting dates are the 2nd Tuesday of each month. If any residents of Chesterfield need to obtain an application form, please contact me (home phone: 363-8998).

The Board members are anxious to have feed back from the community concerning the zoning ordinances. We as a Board must make our decisions based on the ordinances that the townspeople pass at Town Meetings. Yet if there are suggestions that we can share with the Planning Board, they are welcome.

CHESTERFIELD CEMETERY COMMISSION REPORT FOR 1984

Routine care of 23 of the Town's cemeteries left little time for special projects this year. As anyone who cares for a lawn knows, the grass never slowed in its growth all season. Most cemeteries were mowed two or three times more than usually. One special project was begun - restoration of the Beal/Latham cemetery in Hardscrabble. This is the last of our cemeteries needing major work. Stone repair and resetting of fallen stones was begun. Its location on the edge of Pisgah State Park makes it difficult to reach by the cemetery crew, but has made it very accessable to vandalism in past years. Little has occured since it has become obvious that someone is caring for it.

In keeping with our goal of having all cemetery work funded by trust fund income, we would encourage anyone, especially those with ancestors in the older cemeteries, to establish a new trust fund for a family lot or even for an entire cemetery.

The commissioners would like to thank Mrs. Herbert Linderman for the gift of a lovely tree in memory of her husband. Planted near the well at Friedsam Cemetery, it makes an attractive addition to the landscaping there.

PARKS AND RECREATION COMMISSION REPORT - 1984

During the summer of 1984, the total attendance at Wares Grove Beach was 25,362 people. The 1984 figure represents a 3-4% increase in non-resident attendance. The continued growth in attendance can be attributed to the consistantly well maintained facilities and dedicated staff.

The summer recreation program had an approximate total of 80 participants. The program focused more attention on crafts and small group activities than last year.

The Commission voted to remove 10 dead and/or diseased trees from the Wares Grove Beach. This project was completed this Fall.

Due to winter damage, the roof on the Wares Grove Snack Bar was replaced.

As part of the Commissions' 3 year plan to replace the fencing at Wares Grove, section #2 has been set in place.

As in the past years, the Commission meetings are open to the public for discussion pertaining to the operation of our beaches and programs.

Last Spring the Friends of Chesterfield Library group was formed. Its function is to support the library activities and programs, volunteer help, and raise funds for special projects. All are welcome to join, either by actively participation, or by paying membership dues only. Dues ar $2.00/single or $3.00/family per year; due in May.

The Library also experienced some financial difficulties in 1984. The increase in hours over spent the salary budget, fund raising expenses exceeded our supply budget, and the general increase of books and materials put an extra load on fund raising efforts. We sincerely thank all who helped us last year with our bake sales and in other events. Donations were especially appreciated.

Already our 1985 budget has been reduced by lower than anticipated trust fund income. The book budget suffers the most because all other expenses are set.

We will greatly appreciate any support the townspeople provide. It is your library and we are seeking to serve you the best that we can.

It should be noted the Library budget consists of mainly two sources in 1984:

Town Appropriation	$6,500.00	
Interest from Trust Fund	2,600.00	(Act. $2,518.90)
	$9,100.00	(Act. $9,018.00)

Library Financial Report (Cont'd)

Also, it should be noted, the five year history of Town Appropriation to the Library:

1980	$5,800.00
1981	6,200.00
1982	6,500.00
1983	6,500.00
1984	6,500.00

The increases reflect both longer library hours and increased cost for books, fuel, etc.

CHESTERFIELD HOME HEALTH AGENCY, INC.
ANNUAL REPORT - 1984

The Chesterfield Home Health Agency has agreed to continue indefinitely its participation agreement with Home Health Care and Community Services for the provision of home health services to the Town of Chesterfield.

At the annual meeting on April 19, 1984, Martha Fuller introduced Sheila Foote from the New Hampshire Department of Education Vocational Rehabilitation Office who gave a slide presentation on "Handicapism". This was followed by a discussion on the seemingly endless problems confronted by handicapped youth and their families.

The Annual Pre-school Hearing and Vision Clinic was held on May 23rd. Nearly 50 children were tested for hearing and vision deficiencies resulting in a few referrals for further testing. We urge parents to take advantage of this yearly free clinic for pre-schoolers held in conjunction with the New Hampshire Division of Maternal and Child Health, the Chesterfield School Nurse and the Chesterfield Home Health Agency.

A total of $467.03 was spent from Memorial Funds for the purchase of special supplies to be used by the Visiting Nurse in caring for the sick in Chesterfield Homes.

We wish to thank the residents of Chesterfield for all the support given in the past and hope they will continue to help us bring health care to the homes of those who need it in the Town of Chesterfield.

TOWN OF CHESTERFIELD
FINANCIAL INFORMATION AND FUNDING REQUEST

The services provided in your community this past year were supported to the greatest extent possible by Medicare, Medicaid, other insurances, state and federal grants and service fees.

The following visits were provided in your community at no charge or on a part fee basis to your residents. The cost of these visits is covered by your town appropriation, contributions, county funds and trust funds. The average contribution toward a visit averages less than 10% of the total cost.

Nursing, Nutritionist, MSW Services	50 Visits
Home Health Aide	3 Visits
Homemaker	148 Hours
Child Health	1 Visit

In addition, the following service was provided at no cost to Chesterfield residents and was supported in part by your town appropriation.

Meals-On-Wheels	554 Meals

The total cost of free services in your town this past year was $6,572.00.

Funding applied toward these free services was: Town Funds (including Meals-On-Wheels) $8,000.00.

The balance of funding from your community was needed to support uncovered expenses incurred in relation to child health services, clinic activities and the care of the terminally ill program. In addition, those funds insured the continuing availability of staff to provide services as they are required in your community.

Our appropriation request for 1985 is $7,500.00 for clinical services and $500.00 for our Meals-On-Wheels Program.

MINUTES OF THE 1984 SPOFFORD FIRE DISTRICT MEETING

The annual meeting of the Spofford Fire District was held at the Spofford Town Hall on Tuesday, March 20, 1984. Moderator Michael P. Bentley called the meeting to order at 7:30 p.m. Terry Wiggin moved to dispense with the reading of the warrant. David Dennis seconded the motion. The vote was affirmative.

ARTICLE 1. To choose a Moderator for the ensuing year. Motion was made by Warren G. Allen and supported by Ronald T. Guyette to cast one balalot for Michael P. Bentley. Voice vote was in the affirmative.

ARTICLE 2. To choose a Treasurer/Clerk for the ensuing year. Motion by Michael Wiggin and seconded by Ronald T. Guyette to cast one vote for Catherine Schlichting. Vote carried in the affirmative.

ARTICLE 3. To choose a Commissioner for 3 years, 1984-85-86. Motion was made by David Dennis and seconded by Jon Knickerbocker to elect Paul C. Dubriske. Vote was in the affirmative.

ARTICLE 4. To see if the District will vote to accept the budget or act thereon. Motion by Thomas Allen and supported by Ronald T. Guyette to accept the budget as read. Motion by Warren G. Allen to amend the Fire & Liability appropriation from $3,000.00 to $3,900.00 to cover the cost of insuring the new truck. Motion was seconded by Ronald T. Guyette. Article #4 was adopted as amended.

ARTICLE 5. To see if the District will authorize the Commissioners to borrow money in anticipation of Taxes to pay current expenses. Motion made by Terry Wiggin and seconded by Robert Beard to accept the article as read. Motion carried in the affirmative.

ARTICLE 6. To see if the District will vote to sell the 1961 FWD Fire Truck; the proceeds of such sale to be used to purchase Hose and other equipment. Motion was made by Warren G. Allen and supported by Terry Wiggin to accept the Article as read. Motion was made by Warne Guyette and seconded by Jon Knicker-bocker to amend the article: "To see if the District will vote to sell either the 1961 FWD Fire Truck or the 1970 International; based on the results of a professional appraisal of both vehicles for truck value and fire value; the proceeds of such sale to be used to purchase Hose and other equipment." After some discussion the Article was passed as amended.

ARTICLE 7. To see if the District will vote to sell the Waterous Fire Apparatus; the proceeds to such sale to be placed in a Capitol Reserve Account to purchase equipment in the future. Motion was made by Raymond Egan and supported by Howard Beal to accept the article as read.

Cornelia Jenness read a statement from the Directors of the Historical Society which said; "Whereas the Waterous Fire Apparatus and Hose Reel are the oldest pieces of fire equipment existing in the Town of Chesterfield, the Board of Directors of the Chesterfield Historical Society urges that it not be sold by the Spofford Fire District. Further, the Board urges that a permanent display place be found. To this end, the Board offers it's assistance to the Spofford Fire District in finding a temporary storage area for the Waterous and to obtain a permanent display place in the near future." It was also noted that at their monthly meeting the members of the Spofford Fire Department voted unanimously to endorse the following: The Department be allowed to see that the Waterous be kept with the stipulation that it go on display, such as the Peterborough Museum with ownership retained by Spofford Fire District as opposed to being stored in a barn or other undesirable place.

After further discussion Jane Allen made a motion to amend the article to include the Hose Reel. Ronald T. Guyette seconded the amendment. The amendment was adopted.

Article 7 was defeated on a voice vote.

ARTICLE 8. To transact any other business that may legally come before said meeting. Michael Wiggin made a motion that the Boy Scout Troop #286 and it's leaders be recognized for the fine job they have done painting the hall. Warren G. Allen seconded the motion and it passed in the affirmative. Michael Wiggin made a motion that the assembled persons thank Warren Allen for his years of dedicated service to the District. This was done with a standing round of applause for Mr. Allen.

Motion was made by Warren G. Allen and seconded by George Forest to adjourn the meeting. Motion was carried in the affirmative.

CHESTERFIELD SCHOOL DISTRICT MEETING

The Clerk, Diana S. Allen, gave the oath of Assistant Moderator to Warren Allen. Mr. Allen opened the polls at 10:00 a.m. for voting. The following persons were appointed as Ballot Clerks: Judith Johnson, Sandra Wiggin, Terry Wiggin, Cornelia Jenness, Marilyn Taylor, and Michael Wiggin.

At 8:00 p.m. the Moderator, Michael Bentley, called the meeting to order for the purpose of acting on the articles in the warrant. The Moderator introduced officials of S.A.U. #29, the Chesterfield School Board, and Mr. Robert Johnson, Principal of Chesterfield School.

The Moderator recognized Charles Johnson who made a motion to dispense with the reading of the warrant and to read each article as it is taken up. Seconded by Terry Wiggin. The Moderator declared the voice vote to be carried int he affirmative.

Articles in the warrant were disposed of as follows:

ARTICLE 1. Cornelia Jenness moved and was seconded by Charles Johnson that all reports contained in the Chesterfield School District Annual Report be approved as printed. The Moderator declared a voice vote to be passed in the affirmative.

ARTICLE 2. Terry Wiggin moved and Susan Newcomer seconded the motion that the district authorize the school board to make application for, and to accept and use in the name of the district such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state or private agency. The voice vote was declared to be in the affirmative.

ARTICLE 3. Michael Wiggin moved that the District authorize the School Board to apply for and to accept and expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1984-1985 school fiscal year provided that such expenditure be made for the purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board hold a public hearing prior to accepting and spending such money. Seconded by Joanna Morse. Voice vote declared by the Moderator to be carried in the affirmative.

ARTICLE 4. Charles Johnson moved to raise and appropriate the sum of $1,280,927 for the support of schools, for the salaries of school district officers and agents, and for payment of statuory obligations of the district. Seconded by George Wright.

AMENDMENT TO ARTICLE 4. Alfred Burley moved that the instructional salaries account be limited to ten percent over last year's figure, which would call for a reduction of $60,154.00 from the amount proposed in Article 4. Seconded by Frank Seay. Mr. Burley asked for a paper ballot, but was not able to get a second on his motion. The Amendment to Article 4 was defeated by a voice vote, as declared by the Moderator.

ARTICLE 4 was then voted on as presented, and a voice vote was declared in the affirmative by the Moderator.

ARTICLE 5. Cornelia Jenness asked that the Chesterfield School District loan its early records (1886-1964) to the Chesterfield Historical Society for care and safe keeping. Seconded by Judith Johnson. Moderator declared voice vote to be in the affirmative.

James Milani offered the following resolution:

> Be it resolved that the Chesterfield School District at its annual meeting express its dissatisfaction both at the level of funding for the state and with the state's perennial inability to comply with the funding responsibilities passed by the General Court, and that a message of such dissatisfaction be relayed to the Governor of the State, our Governor's Counsellor, and the State Senator.

Seconded by Susan Newcomer. The Milani Resolution was passed unanimously in the affirmative on a voice vote.

Charles Johnson moved, and Frank Seay seconded that the meeting be adjourned at 9:36 p.m. Motion was declared carried in the affirmative by the Moderator who also declared the polls closed at 9:36.

The official town check list was used for the elections. Of eligible voters, 87 cast ballots. All ballots were cast at the ballot box, with no absentee votes.

ADMINISTRATIVE REPORT

Visit the Chesterfield Central School and see an effective school in operation. You will see a strong staff that works closely with children. There is a school climate that is orderly, serious, warm, safe, and attractive. There is a focus on achievement and high expectations for all students. Instructional activities absorb most of the day. You will also see clearly understood teaching objectives and priorities for each student in the school. Some of the best that we know about teaching and learning is happening in our school.

With this growth comes improved attitudes and renewed support for the school. Chesterfield has every reason to be proud of what it is doing for its children and their school. Taxpayers, a group of parents, the staff, and the school board are to be commended.

However, the work is not done. We need to continue to grow if our children will have the advantages they will need in years to come. Planning for increased enrollments, effective learning and community involvement is needed. Consistent help and involvement from all parents is a necessity. Continued curriculum and staff development at the local level by our teachers is a must. Continued evaluation of student progress, the staff, and the school itself is a certainty.

Your School Facilities Committee is to be commended for the many hours they have given to the community and for the information they have developed on enrollment projections and school facility needs for the next eight years. The report is available at the school if you would like a copy. It shows we certainly will need additional space by September of 1987. Article 5 or 6 on the warrant deserve your serious attention at the district meeting on March 9, to help us resolve these space problems.

Cooperation between the town and school government remains another valuable asset to this community. Joint use of facilities and services saves dollars for the taxpayers, and is a tribute to your elected officials.

The Chesterfield teachers deserve your praise and daily support. They are a warm, well-trained group of professionals who have students at the top of their priority list. They need to be recognized and rewarded for their efforts, and everyone can play a role in that activity.

Your school board has represented you well this year. Responsiveness to others, attention to fiscal details and real concern for the students of the district characterize this board. It has been a pleasure to work with them while they have served you.

Lawrence E. Seavey
Assistant Superintendent for Towns

PRINCIPAL'S REPORT 1983-1984

The Chesterfield School opened on September 4, 1984 with 232 children enrolled in grades Readiness through 8 and 9 full/part-time new staff members. The new staff members include Ann Beaudry, Resource Room teacher; Jean Condon, physical education; Marcia Esche, music teacher; Mary Giles, science, 6, 7, 8; Kathleen York, readiness teacher; Janice Johnston, special needs individual tutor; Pat Wilson, speech therapist - 2 days/week; Kent Gemmell, associate school psychologist - 2 days/week; and Ralph Whitney, school custodian.

The building underwent some major face lifting to the interior, including the following changes: retiled and repainted walls of all corridors, installed ceiling tile in all Jr. High classrooms and the Jr. High corridors, installed new lighting and repainted 5 classrooms, carpeted 3 classrooms. We will continue to complete necessary repairs and routine maintenance as identified in our 5-year maintenance plan.

The special education reorganization which occured last year has resulted in improved program quality and services. With 2 full time special educators we were able to meet the needs of 23 special needs youngsters, thus making it unnecessary to tuition those children to out of district programs. We are proud of the scope and quality of the special education program in Chesterfield. It serves as a model for other small schools demonstrating what can be achieved with quality teachers using appropriate instructional techniques and strategies.

The guidance counselor worked closely with the guidance staff at Keene High School which resulted in a very smooth transition from Chesterfield School to Keene High School. We shall follow up on our former students progress to assure that our program at Chesterfield School continues to meet their basic skills needs. Mr. Hanson, our guidance counselor, sponsored a career awareness day which was well received by all who attended.

The staff at Chesterfield School and Keene High School are working together through departmental meetings to coordinate our various academic disciplines. The Keene High School librarian and our Jr. High staff are working together sharing audio-visual materials. Additionally, our Jr. High students took a trip to K.H.S. to familiarize themselves with the library and its resources. Commencing with the 1984-85 school year all curriculum development in all disciplines will be jointly developed and written by the towns and the Keene School District.

We are delighted with this opportunity for it assures greater curricular continuity and better student preparedness upon the departure of our eighth graders.

The administration at Chesterfield School and Keene High School meet and confer frequently in order to assure that no child "slips between the curricular cracks." Mr. Charles Napoli, K.H.S. principal feels that the children who come to K.H.S. from Chesterfield come well prepared. Roughly 12% of the Keene children who attend K.H.S. make the school's honor roll. 12.% of the Chesterfield students make the same honor roll.

The volunteer program continues to be a very vital ingredient in the educational program at Chesterfield. The 1,800 volunteer hours have made a difference! The staff and students alike are unanimous in their appreciation of the volunteers efforts on their behalf. The P.T.A. continues to sponsor meaningful education programs throughout the school year. The Potluck Supper which the P.T.A. sponsors attracts many parents and encourages teachers and parents to work cooperatively together.

The administration will focus during the 1984-85 school year on continued curricular development and will continue to monitor the progress of our students to assure their maximum growth and development while at the Chesterfield School.

It is said that the only thing which is constant is change. Nothing is more truthful than that statement. We, at the Chesterfield School, are continuing to attend workshops, seminars, conferences and take courses to improve and enhance our skills. Those experiences add to programmatic opportunities which we can offer your children.

CHESTERFIELD SCHOOL LUNCH PROGRAM

The Chesterfield School Lunch Program enjoyed another successful year feeding about 165 students daily.

Menus are provided monthly for morning announcements on WKBK and WKNE. Students may choose their meals for the week on Friday when lunch money is paid for the following week. The price of lunch remained at 55¢ for Readiness through 5th grade and 60¢ for grades 6-8. Free and reduced lunches are available also.

Government commodities were plentiful this year. Canned meats, vegetables, fruits, along with turkey, chicken and hamburger helped us to run a successful program.

We shall continue to do our best to keep the students both well fed and happy.
